ZHIJIE

Solutions for Food Service

Zhijie Daily Necessities Co., Ltd

ABOUT US

Zhijie Daily Necessities Co., Ltd. is a professional food packaging solutions provider strategically based in Jinhua, Zhejiang Province, benefiting from excellent logistics through the nearby Ningbo Port.

As a specialized exporter offering food service solution, we manufacture high-quality food packaging products from premium materials including PP, APET, CPET, PLA, PBAT and Paper, with our product range encompassing PET cups, deli containers, PP cups, portion cups, cutlery, paper cups / Bowls / Bags and ect..

Our BSCI-certified factory operates under ISO 9001 quality management standards with FDA-compliant products and multiple quality certifications, supported by an experienced R&D team capable of fulfilling OEM and ODM customization requests.

Backed by a knowledgeable sales team with extensive market expertise, we successfully serve North America, South America, Europe, Australia and the Middle East, providing valuable market insights including trending product recommendations, competitive pricing strategies and quality standard guidance. With nearly two decades of manufacturing experience, rigorous quality control, innovative R&D capabilities and flexible customization options, we have established ourselves as a reliable and competitive partner in the global food packaging industry.
